Members of the Mississippi Legislature

Gentlemen:

This Service Bulletin will provide you with data, both financial and statistical, which reflects the fiscal year ending June 30, 1985. In addition to a detailed analysis of Tax Commission collections, there is included a summary of general and special fund receipts and expenditures.

Some of the materials used were furnished by the State Auditor and we appreciate his assistance in making this information available to you. The publication would have been incomplete without it.

Also of interest to you may be the presentation of data relating to industry classification and city and county economic activity. Requests from public and private agencies and individuals indicate to us an increasing popularity of this publication. Reported uses range the gamut from source material for statistical analyses to a basis for future planning. We trust that you, too, will find it useful.

Respectfully,

C. A. Marx
